MOTOR MISHAPS.

WEEK-END LIST OF ACCIDENTS.

STUBBS ROAD COLLISION.

A collision between two motor cars and four minor accidents with injuries to pedestrians were reported over the week-end.

On Saturday morning a motor car was proceeding along Stubbs Road on the other side of the Wong Nei Chong Police Station when it collided with another car coming round a bend from the opposite direction. Both the vehicles were damaged.

Shortly after noon of the same day a Chinese girl was knocked down at Queen's Road East, near the Grand Theatre, by a motor car owned by a European firm. She was injured in the leg and received treatment at the Government Civil Hospital.

Another accident occurred shortly after noon at the same spot, a small boy being injured by coming in front of a motor car owned by the Dragon Garage. The boy suddenly ran out of a verandah, giving the driver no time to stop the car in order to avoid an accident. The boy was injured in the head and limbs and was taken to the Government Civil Hospital.

On the Kowloon side, a Chinese woman was taken to the Kwong Wah Hospital following an accident at the junction of Sai Kung Road and Cheong On Street. The woman was knocked down by a motor lorry driven by an Indian.

At Praya East yesterday afternoon a Chinese youth was hurt in both legs and he also sustained internal injuries. The driver of the car which knocked the boy down took him to the Government Civil Hospital, where he was told that the injuries were very serious, following which he made a report to the police.

IN THE TEMPLE.

HOW A ROBBERY WAS PLANNED.

SENTENCE OF SEVEN YEARS.

The mid-night scaling of a wall by means of a bamboo pole and the effecting of entrance into a house at Lin Fa Ti, New Territories, through a skylight in the roof was described at the Criminal sessions this morning when a man alleged to have been one of the gang of robbers in question was charged with complicity in the theft of jewellery, money and clothing.

The robbery took place early in the morning of October 7 when the master of the house was away. The woman of the house was gagged and bound, and it is on her evidence of identification of the man in question that the case rests. In a statement made at the Magistrate's prisoner admitted being at the spot, also at the consultation in the village temple when the robbery had been planned. He had not willingly taken part but had gone under threat of force, he stated in this written document. The man who had arranged the robbery threatened him with a knife. Afterwards when there was a division of the spoils the leader of the gang had said that when a certain bracelet was sold he (the prisoner) should get something, but he (prisoner) said he didn't want anything. At no time he received any of the proceeds.

Mr. H. K. Holmes said that nothing had been found in his possession or at his house.

Prisoner was found guilty and sentenced to seven years' hard labour.

MOVEMENT OF STEAMER.

The B.I. s.s. "Santhia" will leave Amoy for this Port to-morrow at p.m., and is due here on Nov. 25, at about 5 p.m.

Mr. N. J. Perrin, of Thos. Cook and Son, Ltd., will be leaving for Hongkong for Home leave by the "Empress of Australia" on Nov. 27. Mr. H. C. Burgess, of that office, will act for Mr. Perrin in his absence.

To-day's weather report states that a fresh monsoon may be expected along the S.E. coast of China and over the N. China Sea. Until noon to-morrow the forecast is N.E. winds, fresh, fair.

TO-DAY'S DOLLAR.

The closing rate of the dollar, on demand, to-day was 2/4 7/16.

WAR EXTENDS.

ANTI-REDS FIGHT IN FUKIEN.

VICTORY AND DEFEAT.

Driven to extremity in Fukien province, the anti-Reds are now reported to be fighting there with much better morale than they showed against the Whampoa Cadets.

General Cheung Ngai, border commissioner of Fukien, offered \$20,000 to the anti-Reds to leave the sanctuary of his domains as General Cheung Kai-shen (the Canton militarist) had threatened an invasion.

This latest war is probably due to a local squabble for control over a few hsien (districts) for the revenue.

A detached body of Cantonese numbering 200 were disarmed by their erstwhile friends, but the main body won elsewhere and is now making for Cheung Chow, where General Chai Kwong-ming recuperated years ago and fought his way back to Canton.

A steady advance by the Reds is reported in the south of Kwangtung. The Reds are now in such a position that they control the agricultural hinterland of the southern ports which in normal times export considerable raw produce.

From Canton the "Wah Tsz Yat Po" has received a message that a large batch of recruits have arrived from Shanghai at the Whampoa Military Academy (for cadets).

A WORLD CRUISE.

"FRANCONIA" TO RETURN HERE.

DUE IN MARCH OF 1926.

In March of next year Hongkong will again harbour the s.s. "Franconia" which is due to arrive on the 22nd, in the course of a world tour commencing from New York on January 14, and finishing on May 24.

A special feature of the itinerary will be the programme in China which will include an inland visit to Peking from Taku, eliminating the usual rail journey from Shanghai. The "Franconia" built especially for cruising, and already tried and tested by two successful voyages round the world, is especially suited for the journey and her system of ventilation makes her admirably suited for the tropics. In order to ensure comfort on board ship and during visits ashore, the membership of the cruise is limited to 400 guests, only a small proportion of the number for which the "Franconia" can provide with ample accommodation. In trans-Pacific service the ship was built to accommodate more than 2,000 persons.

"LOST FAITH."

IRISH FREE STATE AND BOUNDARY.

"GRAVE SITUATION."

(Reuter's Service.)

London Nov. 23.

Mr. S. Macneill's resignation which the Executive Council has accepted, was announced by President Cosgrave in a speech at Emyvale, Monaghan, "because he lost faith in other members of the Commission."

President Cosgrave.

Mr. Cosgrave declared he likewise had lost faith and was forced to the conclusion that other members were swayed to the discharge of the judicial duty by the threats and political influences brought to bear upon them.

Mr. Cosgrave declared that M. Macneill left because "the rights of our people in the North enshrined in Article Twelve of the Treaty are being shamefully flouted."

He expressed the opinion that the grave situation demanded the most careful consideration by the Governments of the Free State and Britain. He appealed for restraint on the part of the Irish people and promised to take steps to prevent the infliction of an injustice on Ireland.

Mr. Cosgrave said that Mr. Macneill told him he was completely satisfied there was no likelihood of the work of the Commission yielding a report based on the terms of reference.

Alluding to a newspaper report that the Commission was favourable to the transference of the territory of Tyrone to Ulster, Mr. Cosgrave declared this was contrary to assurances given by Lord Birkenhead and Mr. Lloyd George at the time of the signing of the Treaty, and added the Commission had no right to take away any Free State territory.

XMAS CHEER.

RUM FLEET'S NEW TACTICS.

OFFICIALS PUZZLED.

(Reuter's American Service.)

New York, Nov. 22.

Coastguard officials announce that a rum fleet of 22 vessels reported off the New Jersey coast loaded with Christmas cheer, after being scattered by the activities of the prohibition agents.

The coastguard officials are puzzled by the new tactics of the carriers and runners for the rum fleet which keeps constantly moving between Montauk Point, east of Long Island and Atlantic City, from 15 to 100 miles from the coast. The ordinary citizen's Christmas cheer depends on the success or failure of the officials in solving the problem of how a liaison is being effected between the ships and the shore.

PERSIA'S OPIUM.

AMERICA'S \$20,000 FOR INQUIRY.

(Reuter's Service.)

Geneva, Nov. 22.

The United States Bureau of Social Hygiene has contributed \$20,000 towards the expenses of the Commission of Enquiry into the cultivation of opium in Persia, as the result of a suggestion by Mrs. Hamilton Wright, United States Delegate to Geneva, last year.

The object of the proposed enquiry is to investigate the possibility of cultivating alternative crops to replace opium, and to assist the population to find other means of earning a living.

The forthcoming meeting of the Council of the League appoints a Commission which, it is hoped, will be able to visit Persia in February and submit a report to the June session of the Council.

NOTABLE FACTS.

SOCIETY OF ST. VINCENT DE PAUL.

ITS SCOPE AND ORIGIN.

The near approach of the annual Bazaar of the St. Vincent de Paul Society, so deservedly popular, tends to raise the question: What is this Society which appeals to us so forcibly for support; when did it come; what is its scope and what work is it doing in our midst?

In the first place it must be noted that it is not a mere philanthropic society distributing so much as it aims to the poor.

It is not a Benevolent Society aiming only at relief of distress, but a Society which has a twofold aim (the one dovetailing into the other and incapable of being separated from it), namely the uplifting of the poor by the one hand—moral, spiritual and even more than materially—and the sanctification of its members through visitation of the poor.

The Founder of the Society was a remarkable Frenchman, Frederick Ozanam, born in 1813. After a brilliant career, at school he early left his home in Lyons to go to Paris to study law and literature, afterwards becoming a famous lecturer at the Sorbonne.

At the very early age of 17 he founded the Society. It was then that the little band of students—only eight in number—met together in private and asked each other: "Yes, what are we doing? We talk but what do we do?"

And they resolved forthwith to do as well as to argue. This they did by visiting the poor in their homes, bringing relief to them in personal service, and endeavouring not only to ameliorate their hard lot materially but to uplift them, morally and spiritually.

They were ignorant as to how to set about their newly imposed task, but one of their number came to their help, by introducing to them a Sister Rosalie, a Sister of Charity, who taught them how to proceed in their visits to the poor. She belonged to that great institute of charity founded by the celebrated St. Vincent de Paul, who, in the brilliant reigns of Louis XIV, used to go about the sordid streets of Paris at night and pick up the poor orphans and children who were often left there abandoned.

Inspired by her teaching and example, Ozanam and his companions placed the little Society under the name and patronage of the great Saint of Charity.

Kindred spirits were attracted to them. Their influence was irresistible; it spread rapidly; and by the time Ozanam died in 1853—literally worn out by his labours, intellectual literary and charitable—he was at the head of a Society which had spread beyond the confines of France to almost every country of Europe, and was destined to be world-wide.

In Hongkong itself, so far away from the parent stem, it was established as far back as 1863, only 10 years after Ozanam's death. Nor has it with its spread lost sight of its first ideals, but is everywhere faithful to the "Rule" of its founder, framed shortly after its coming into existence.

It is in the best sense of the word a "social" institution, for while it visits the poor wherever there is need, irrespective of class, nationality, or creed, its membership is open to all classes of Catholics alike, no distinction of class being permitted in its conferences.

Of this the example may be quoted of an Irish bank clerk who was fond of relating how in his conference in London the member, who sat at their meetings beside him, and who accompanied him in his visits to the poor was the Marquis of Ripon, a Minister of the Crown.

Here in Hongkong, too, some of the early and most active members, still well remembered, were Mr. H. M. de Bovis, at one time Acting Chief Manager of the Hongkong and Shanghai Banking Corporation; Sir Francis Fleming, formerly the Colonial Secretary here; and the late Mr. Francis, Q.C., a distinguished member of the Bar.

Such is the Society, with its aims and principles, which will soon be appealing for support in its annual Bazaar from all sections of the community.

KASHMIR'S RULER.

SIR HARI SINGH'S \$1,000,000 A YEAR.

"MR. A." KHO.

Sir Hari Singh the new Maharajah of Kashmir and Jammu became prominent in the Robinson v. Midland Bank litigation as "Mr. A." whose name, "for reasons of State," could not be disclosed. Before the end of the trial, however, his real name was announced. For some time past he has been carrying out State duties on the late Maharajah's behalf.

His sway will extend over 80,000 square miles of territory, while the immense estates and revenues will bring him over \$1,000,000 a year. His personal fortune is already estimated at \$12,000,000. He will rule over three millions of people.

The late Maharajah, Sir Partab Singh, was 73 years old. He was the new ruler's uncle, but ten years ago formally adopted him.

Sir Hari Singh has become one of the highest reigning princes in India, and is now entitled to a salute of 21 guns wherever he goes in that Empire. Sir Hari has only visited England twice, but the case in which he was unfortunately involved created enormous interest all over the world, in spite of the Government's attempt to keep his name secret.

Lord Darling, the Judge, said at the time of the case: "Nothing would in ordinary circumstances induce me to have this man's name kept out of the proceedings, but it is very important that scandal should not be caused where this potentate lives, and it is for that reason that I am allowing the name to be omitted."

In fact, the name of Sir Hari Singh was published all over America and the Continent, and it had finally to be mentioned in England.

HOST OF PRINCE OF WALES.

The country over which Sir Hari is now called to rule is fabulously wealthy, and is almost a fairyland. Sir Hari is only 29 years old, and is a good sportsman. The Prince of Wales was his guest in India, and commented at the time on the brilliant way in which he played polo.

Sir Hari Singh was educated by English tutors, and at the college for Princes at Ajmir. He is already a Major-General in the Indian Army, where he commands over 10,000 men. His chief recreation is cricket, and some years ago he took pains to design a superb cricket ground in the confines of his palace grounds. He will take up his residence at Srinagar, the capital of the territory, often called the Venice of the East.

Grand scenes of enthusiasm took place in May, 1923, when he married the eldest daughter of the Maharajah of Dharampur, in Kathiawar. Hundreds of thousands of persons witnessed the ceremony.

FOURTH OF HIS LINE.

The Royal Family of Kashmir is quite recent. The late Maharajah was only the third of his line. The founder of the dynasty was the Maharajah-Guru-ab Singh.

The late Maharajah displayed the greatest heroism during the war. Despite his advanced age he went to France with the Indian troops, and his soldiers did brilliant work in Egypt, Mesopotamia, and in Africa. After the Armistice he refused nearly \$114,000 which the Government owed him for the aid of his troops. His tastes were quiet and studious, and he figured little in European limelight.

Such is the Society, with its aims and principles, which will soon be appealing for support in its annual Bazaar from all sections of the community.

A new establishment, "Portugal Oriente, Ltd.," has opened its doors to business in Macao. This firm deals in Portuguese produce and proposes to have on permanent display samples of the produce of Portugal and her Colonies. On the ground floor there is a display of the best kinds of Portuguese wines and there is even a reproduction of a 13th or 14th Century Portuguese tavern where it is proposed to retail wine. On the 1st floor, there is to be the general display of the products of Portugal. On the top floor is the well-appointed office.

There is to be a walking race for lady members of the Portuguese community of Hongkong and Kowloon. The race will probably take place in the near future and the course proposed is from the Club de Recreio to Homantin and back, a distance of about 3.30 miles. Several ladies have signified their intention of competing and the event should prove interesting. A further walking race open to the Portuguese community has been suggested, to take place in January next, the course of which will be from Castle Peak to Kowloon, a distance of nearly twenty-five miles. The race which will be a strenuous one, up hill and down dale, will be a good test for the young men who are to represent Portugal in the proposed International Walking Race that will take place early next Spring.

In their weekly share report Messrs. Vernon and Smyth say:—During the week under review business in the Local Share Market has been very dull, except for a few Shanghai Stocks dealt in locally which have maintained their prices; other stocks show no improvement since our last: it is noticeable that a few more buying prices all quoted at reduced rates but practically no business has resulted.

The campaign of the National Milk Publicity Council to induce people to "drink more milk" seems to have borne fruit. The consumption of milk in England and Wales has increased by 10,000,000 gallons in the past year. This estimate is confirmed by the figures of the milk carriage of three of the big railway groups. The Great Western carried 7.16 per cent. more milk and the London and North-eastern 14.87 per cent. more. The campaign has also been instrumental in improving the standard of milk and in creating confidence in the supply.

The road round the island of Peking is closed for traffic at present, says the "Strait Echo." It is undergoing heavy repairs. Extensions in the width of several parts of the roads are being made where this has appeared necessary. The recent heavy rains played havoc on several portions of the thoroughfares between Telok Bahang and Sungai Pinang. Though it is not possible to widen the entire road between these two villages yet it would be a sensible thing if the authorities concerned would round off the present sharp corners, so as to give a clearer view of an approaching object, in order to prevent accidents.

Unity Island, a famous spot in Bristol Channel, is for sale. It has an adventurous history, and at different periods was held by French, Spaniards and Turks. For centuries it was the headquarters of pirates, who were not finally suppressed until the reign of George I. For many years it has been in the possession of the Rev. W. H. Heaven, who has had absolute control over the place. Charles Kingsley had the final scene of "Westward Ho!" on Shutter Rock, just off the island.

Fifteen hundred stable boys have attended the Racing Stables Mission at Newmarket since its organisation in 1909. Sir Matthew Bodsworth, honorary secretary, told members of the Cambridge Rotary Club at a recent meeting there. The motto of the mission is "The Entrance of Thy Words, Giveeth Light," and its purpose is to interest the boys in such a friendly way that they may be permanently influenced for good. In the 22 years the mission has existed, it was said, there have been only three Sundays when the class was not held. The mission maintains a loan library, from which 800 books were borrowed last year.

Russia's return to alcohol after eleven years of partial prohibition, was freely celebrated. For three days the Russian people have been celebrating with unabated rejoicing and conviviality the country's return to alcohol. reads a report continuing in part:—In Moscow today nearly 100,000 quarts of the new 40 per cent. vodka was sold, and a correspondingly heavy sale was reported throughout Russia. From early in the morning lines of eager Russians, four deep, extending for a whole city block, waited patiently outside the wine shops for their share of the popular beverage. Some of them carried gullion tins, bins, water pails, and even tea kettles. By 5 o'clock in the evening every store was sold out. Every police station is crowded with celebrants who drank to excess, including even juveniles.

FIRST POINTS TO POLICE FROM CLUB.

KOWLOON ATTACK IN FORM.

Saturday saw the Police get their first league points at the seventh time of asking, their victims being the Hongkong Football Club.

Kowloon's reshuffled forward line found the net four times.

South China beat Club de Recreo in a scrappy game.

There were some close matches in the junior divisions with no abnormal scores. The Moslem "A" v. "B" match did not come off.

POLICE V. H.K.F.C.

Poor shooting confident defence and brilliant goalkeeping on both sides kept the score down to one goal, the Police deserving their victory on the South China ground as they were the more enterprising.

Police:—A. E. Clarke; Wynne, Oram; Johnson, Brittain; Cornwall, Post, McEwan, Noonan, Simpson.

H.K.F.C.:—G. Rodger; Summers, Bishop; Stewart, Watson; Ralston; Forsyth, Brodie, Johnstone, Key.

Referee:—Mr. F. Smith.

Cornwall scored after continual pressure by the Police in the first half. Wynne was excellent at back and both custodians dealt nicely with good shots. A number of openings were wasted through bad marksmanship.

Ralston, who is fonder of the handling code, turned out in the Club attack, after a long absence.

SOUTH CHINA V. RECREO.

Luck was on the side of the Chinese in a mediocre match at Sookumpoo in which the Chinese defence distinguished itself both in a spilling game and in feeding a shaky vanguard.

The Club de Recreo defence also held the Chinese forwards until a penalty was awarded for a foul on Au Kit-sang, Suen getting the winning goal from the spot kick late in the second half.

South China:—Lau Hing-cheung; Ng Kam-huen, Chan So; Leung Yuk-tong, Wong Sui-wa, Lam Yuk-ying; Cheung Kam-chuen, Au Kit-sang, Leung wing-tak; Suen Kam-shun, Chan Kwong-lu.

Club de Recreo:—Fernandez; Assumpcao, D. Xavier; A. V. Remedios, A. A. Remedios, H. G. Remedios; Silva, Fuentes, Gosano, Rocha, Brown.

Referee:—Mr. Smyth.

KOWLOON RESERVES V. SURREY RESERVES.

Brown and Latham put Kowloon two up (playing at home) before the breather, the match starting 15 minutes late with the Surreys short for 5 minutes.

In the second half Cheesman replied for the soldiers and Peskett made it draw by scoring direct from a corner kick.

SOUTH CHINA "A" V. DRUMMERS.

Missed opportunities spoiled any chance the Drummers had and the Chinese "A" maintain their maximum points record, thanks to a goal that mattered, Pang Kam-wing finding the mark before half-time.

Subsequently Parker missed a penalty.

Lai Yuk-tat signalled his return to the Colony by an Irish promotion to the second eleven where Pang Kam-wing has also been sojourning.

ST. JOSEPH'S V. RECREO "A."

Their strength depleted owing to senior calls, the Recreo "A" team held the College to two goals each in a fair game on the Sookumpoo ground.

DIV. II (SECTION B)

South China "C" now have a clear lead in this new division.

CLOSING OF LAWN BOWLS SEASON.

PRIZE DISTRIBUTION.

The Kowloon Cricket Club held their bowls closing day on Saturday when a number of rink games were played and the visitors spent an enjoyable afternoon.

Before calling upon Mrs. Abraham to present the prizes, Mr. R. E. Lindell (President of the Club) spoke of the popularity of the Club "at home" and the encouragement they gave to sport. He was afraid the Club bowlers had not much to flatter themselves in regard to league matches, but they had something to be proud of in the fact that they were runners-up in the Spey Cup competition.

Mrs. Abraham then presented trophies to the following:—

Ezra Abraham Challenge Cup: winner, R. Lapsley; runner-up, J. Gibson.

President's Cup: winner, J. Gibson; runner-up, F. Goodwin.

Handicap Singles: winner, F. Cullen; runner-up, J. Hyde.

Handicap Pairs: winners, J. Fraser and B. Petheram; runners-up, J. Gibson and C. Evans.

Spoons were also presented to the winners of the afternoon's rink games as follows: C. Whitley, J. Howe, F. Cullen, H. Overy, C. S. Burford, R. E. Lindell, D. J. Purves and W. Goldenberg.

The "B" scored once against them in the first half and once again after the interval but they let the "C" get three in reply.

St. Joseph's Reserves were behind by the odd goal in three against the Bards but scored matters before the final whistle.

In the University v. Drummers Reserves match it was also a case of the leading team losing. In the first session the Drummers led by 2-1 but the Varsity scored twice without reply after a non-

I.R.C. FINAL.

S. A. RUMJAHN SINGLES CHAMPION.

NEW PLAYER'S PROMISE.

The Final of the Singles Championship in connection with the I.R.C. tournament was played off yesterday morning when S. A. Rumjahn met and defeated J. Cassumbhoy by three sets to one.

Cassumbhoy is the youngest player in this event and has established for himself a reputation as a very promising player in winning his way to the final and in putting up a good performance against the winner yesterday who is older and more experienced.

He found his true form in the second set when after losing the first game, he ran away with the next three by dint of powerful forehand cross-court drives which Rumjahn found very difficult to return, and clever net play. He lost the sixth game, but again got the upper hand and scored another three games to win the set.

Thereafter Rumjahn came into his own and secured the next two sets, although at times he had to work very hard to win the points. The ultimate scores were 6-2, 2-6, 6-0, 6-3.

It is interesting to note that this is the first year Cassumbhoy has entered for the championship in his Club and he has reached the final in both the singles and doubles, the latter of which has not been played off as yet. His success should be a source of great encouragement to him, and as he is still in his teens, he has still a big field before him.

It is also interesting to note that the singles honours of I.R.C. has remained in the hands of the Rumjahns, although the winners have been different, as follows:—

1922, A. H. Rumjahn.
1923, S. A. Rumjahn.
1924, H. D. Rumjahn.
1925, S. A. Rumjahn.

WHY BIG HOME BOUT WAS CANCELLED.

PHIL SCOTT CLAIMS TITLE.

(Time of Ceylon.)

London, Nov. 4.

Mr. Lionel Bettinson, interviewed with regard to the cancelled Scott-Goddard bout, on behalf of the National Sporting Club, stated that the cancellation of the fixture was due to the failure of Goddard to deposit his sidestake, and said that the Board of Control was considering Scott's claim to the title.

[A message, published in the "China Mail" on Wednesday, stated that the fixture, which was to decide the British heavy-weight championship, under National Sporting Club rules, was cancelled.]

London, Oct. 16.

Negotiations for a promised return match between Paolino and Phil Scott have been hung up.

Immediately after Paolino's questioned defeat of Scott at Bilbao he issued a challenge to Spalla for the European heavy-weight championship.

The International Boxing Union accepted this and commanded Spalla to defend his title next January.

Then came news of a Paolino-Brittenstrater match in Berlin for November 20.

Mr. Wilfred Ward, it is understood, will bet Mr. Descamps, a 500 to 2000 that Scott will beat Paolino if only the Spaniard will consent to meet him.

H.M.S. Drapers beat H.M.S. "Hermes" by a goal to nil in the China Squash Football League Cup final on Sunday.

POLICE DEFIED.

(Reuter's Service.)

Cairo, Nov. 21.
Troops and police early surrounded the Parliament building to enforce the warning mentioned on November 18, but a meeting of senators and deputies numbering 130 was held at the Continental Hotel.

The three Opposition groups previously issued a manifesto protesting against "the Government's unconstitutional action" and declaring the dissolution decree of last March illegal.

Zagloul Pasha this morning exhorted the student demonstrators outside his house to return quietly to their homes.

Zagloul then went to the Continental Hotel where the meeting elected him President of the Chamber and passed a resolution of non-confidence in the present Ministry, declaring "Parliament" would meet at a time and place the members may decide.

Zagloul in his speech said he was a defender of the constitution. The meeting ended without incident.

A Cairo cable of November 18 stated: The Government has issued a warning that it will forcibly prevent a meeting at Parliament House or elsewhere of deputies who intended to hold a meeting of Parliament outside the Parliament Building on November 21. The communiqué warns the deputies that they "ceased to have any representative character when Parliament dissolved on March 25."

RELEASED.

(Reuter's Service.)

Paris, Nov. 21.
Captain Arthur has been released.

Notorious as the A.D.C. to Sir Hari Singh the rajah in the famous "Mr. A." case, Captain Arthur has been detained in a French jail on a charge of participating in the blackmailing conspiracy. Recently he was sentenced to a term of imprisonment, but as his detention was only short of this by a few days he has now been released.

MOSUL DISPUTE.

(Reuter's Service.)

The Hague, Nov. 21.
The International Court of Justice has pronounced the opinion that the decision to be taken by the Council of the League of Nations as regards the Mosul dispute must be binding on the parties, and constitute a definitive determination of the Turco-Iraq frontier and that the decision must be unanimous.

FRENCH POLITICS.

(Reuter's Service.)

Paris, Nov. 21.
In the Chamber of Deputies at an early hour in the morning the Government majority divided to 287 to 267 in the voting on the Ministerial motion to begin the committee stage.

[An earlier cable stated that the Government narrowly weathered the first storm, when the Chamber of Deputies, after unanimously passing the second reading of the Finance Bill, agreed by 294 to 250 votes to proceed to the committee stage. Earlier in the proceedings the Government's situation became critical when the Socialists threatened to abstain from voting following M. Painlevé's refusal to promise not to resort to inflation beyond the additional 1,500,000,000 francs. The sitting was twice suspended to permit negotiation, the Socialists eventually deciding to vote in favour of the committee stage.]

Another Crisis?

Paris, Nov. 21.

The Chamber after an all night sitting adopted the first article of the Government's financial programme.

The article provides for the establishment of a sinking fund which will be an autonomous public body with an independent directorate numbering 23 representing all the fields of national activity and not receiving remuneration.

The crisis may arise again next week if the Government is compelled to ask for authority to issue over 1½ milliard francs in banknotes to meet its liability this month as the Socialists are adamant in refusing to consent to a farthing over that amount.

LABOUR'S DEFEAT.

ANTHRAX DANGER.

(Reuter's Service.)

Rome, Nov. 21.
The joint consultative committee of the International Agricultural Institute has adopted the conclusions contained in the report of the enquiry conducted by 118 countries into the prevention of anthrax infection of cattle.

Britain suggested the prohibition of importation of animal products from countries where anthrax is prevalent which do not properly disinfect animal products before embarkation.

Anthrax is a virulent infectious disease, occurring more usually in cattle, sheep, horses, and other herbivora, but communicable by them to man.

TIDAL WAVE.

(Reuter's Service.)

Mexico City, 21.
Reports from the neighbourhood of Zihuatanejo, a small port which was overwhelmed on November 16 by a tidal wave 35 feet high, describe the terrible fate of the inhabitants.

The town was submerged for two hours. An estimate of the death toll is not yet available.

London, November 21.—Following the speech of President Cochrane of the Irish Republic, criticising the findings of the Irish Boundary Commission, a sensation was caused by the announcement of the resignation of Mr. MacNeill, Irish Sinn Féin member of the Committee of Four.

BOILS MEAN BAD BLOOD.

Dr. Williams' Pink Pills Banish Boils By Purifying and Enriching The Blood.

When boils, or other eruptions, break out on your body it is a sure sign that your blood is in bad condition. They will continue to trouble you until the blood is made pure and good. As a remedy in many forms of skin disorder Dr. Williams' Pink Pills have given splendid results, the reason being that these pills act directly on the blood stream, purifying it, enriching it, and giving strength-building red corpuscles. "For almost a year," says Mr. Charles Hedge, of South Weymouth, Ontario, Canada, "I was a great sufferer from boils. I tried several remedies, but they did not help me and I was becoming thin and looked worn out. I was advised to take Dr. Williams' Pink Pills and did so with the result that the boils disappeared and I have not been troubled with them since. In other ways, too, I feel better."

Acting through the blood Dr. Williams' Pink Pills are also a proved remedy for nerve troubles, digestive weakness, neuritis, rheumatism, and the spinal ailments of ladies. Your chemist supplies them, or post free, \$1.50 per bottle, 6 bottles for \$8 from the Dr. Williams' Medicine Co., 60, Kiangse Road, Shanghai.
